

Embroidery Orders

We can embroider your clothing items with your company logo, club name etc.

The prices in our catalog do not include embroidery. We custom quote each embroidery order.

To get a quote for your embroidery order, please do the following:

1- Place the items you want embroidered into a shopping cart.

Our Minimum embroidery order size is: 12 items. (6 for coats) You can mix and match items to make up the minimum.

2- Check out. Fill in the boxes on the check out form. Submit your shopping cart by clicking the button at the bottom of the check out page that says "Inquiry Only". Be sure to tell us where on the garments you want the embroidery to go. Also, be sure to tell us of any deadline that you need us to meet.

3- Send us your artwork: Submit your artwork by attaching it to the checkout form or send us an email at art@cedarbrook.biz and attach your file. You can send .JPG, .GIF, .PDF or just about any other graphic format.

We will then reply to your email address with a quote.

Embroidery orders are prepaid with your credit card or Paypal account.

We email you a proof of your logo before embroidering your items. There is no charge for the proof.

Embroidered orders take about 7 – 10 days to complete once your proof is approved by you.

Orders are normally shipped by UPS. Please allow shipping time from Utah.
